

ANTIRACIST ALLY CHALLENGE PROCLAMATION

- Where as* I acknowledge being a member of a privileged group who inherently benefits from the infrastructures that exist in this country;
- Where as* American infrastructures are historically racist, systemic and deeply embedded in our society to oppress Black people;
- Where as* I can no longer and will no longer allow my actions to intentionally cause harm as an oppressor;
- Where as* It is a moral failure to be a nonracist, I must be an antiracist;
- Where as* I have a duty to help dismantle racism, discrimination, & senseless acts of violence;
- Where as* I will begin to listen, learn, & advocate about injustices that affect humanity;
- Where as* I affirm that Black Lives Matter;
- Where as* I pledge to be intentional in my life as an Antiracist Ally.

Now therefore, be it resolved, that I hereby proclaim to accept this challenge and will stand in solidarity to dismantle the systems of oppression.
