TESTIMONIALS:

I find Dr. McKenzie's work absolutely enlightening. She has a knack for distilling complex constructs clearly. I believe that she is making a critical contribution to organizational culture.

Dr. Mira Brancu, Clinical Psychologist, APA Associate Editor

Dr. McKenzie's work has always been exceptional and her BJEDI workbook doesn't disappoint. She takes the very complex components of belonging, justice, equity, diversity, and inclusion and simplifies and understanding of each part masterfully.

Dr. Danielle Jenkins, DEI People & Culture

OUR UNIQUE & PROVEN APPROACH:

- Our training is vetted and approved by The American Psychological Association (APA)
- Our work is substantial in addressing the empathy gap in our society.
- Our approach is designed to restore well-being in an era of civil unrest.
- Our objective is to build mutual understanding, cause no harm, and unite a culture of belonging.
